Children are encouraged to progress through the belt system: white, yellow, green, blue, red and black so that they can mature physically and spiritually. Examinations will be organized for the children around once per year (subject to the child's progress). This engages children’ s mind and body through a mixture of singing, dancing, acting and the use of percussion instruments which enhance children creativity and cooperation with others, as well as communication skill and critical thinking skill. At the last lesson of the term, children will cooperatively perform a musical pieces with peers in class.
