Fun with Taekwondo

Monday

This Korean programme aims at enriching students with the spirit of taekwondo and to providing a strong foundation for character building. Students are encouraged to progress through the belt system: white, yellow, green, blue, red and black so that they can mature physically and spiritually. Examination will be organized for students around once per year (subject to students' progress). This programme is well-structured and well-recognized, so that students can bridge up to other Taekwondo classes in future even they graduate from our Kindergarten.

** Remarks: Students will need to purchase the Taekwondo uniform (\$520 for whole set). Parents' notice will be distributed later for parents to order with instructor directly.
